# FOREWORD

The value of such a book as this is chiefly a sentimental one. It should hold the interest and claim the pride of every student whatever his class; it should bring memories he will value in future years; in its every aspect — binding, arrangement, printing, everything — it should be the best which we, your editors, can visualize and offer you. These are the thoughts that have guided us in preparing this, the CADUCEUS for 1955. That it has imperfections, we are aware and for them we are to blame, no doubt, and, accordingly seek your leniency and understanding. For the fine features of the book, we are indebted to many for their help: to Mr. Greer Lile for his fine photography; to Mr. James Long and the Taylor Printing Company for their part in its preparation; to Dr. A. W. McCullough for his guidance and interest; to Mr. Paul Chase for additional prints needed; to the School of Pharmacy for their very fine section; and to those who helped do the secretarial work.

We have enjoyed preparing this year's Annual; we hope sincerely that you like it.

We of the Pharmacy section of the "Caduceus" wish to thank you, the student body, for the opportunity of putting together, in picture and word, the activities of this school year.

Our effort has been to please each and every one of you as nearly as possible.

The way you have cooperated with us has been a revelation. We are truly thankful to each and all, who have been so very kind, the merchants, the photographer, the faculty and staff, and especially to you, the students.

Here is your 1954-55 "Caduceus" with our blessings.

## STUDENT BRANCHES OF ARKANSAS AND AMERICAN PHARMACEUTICAL ASSOCIATION

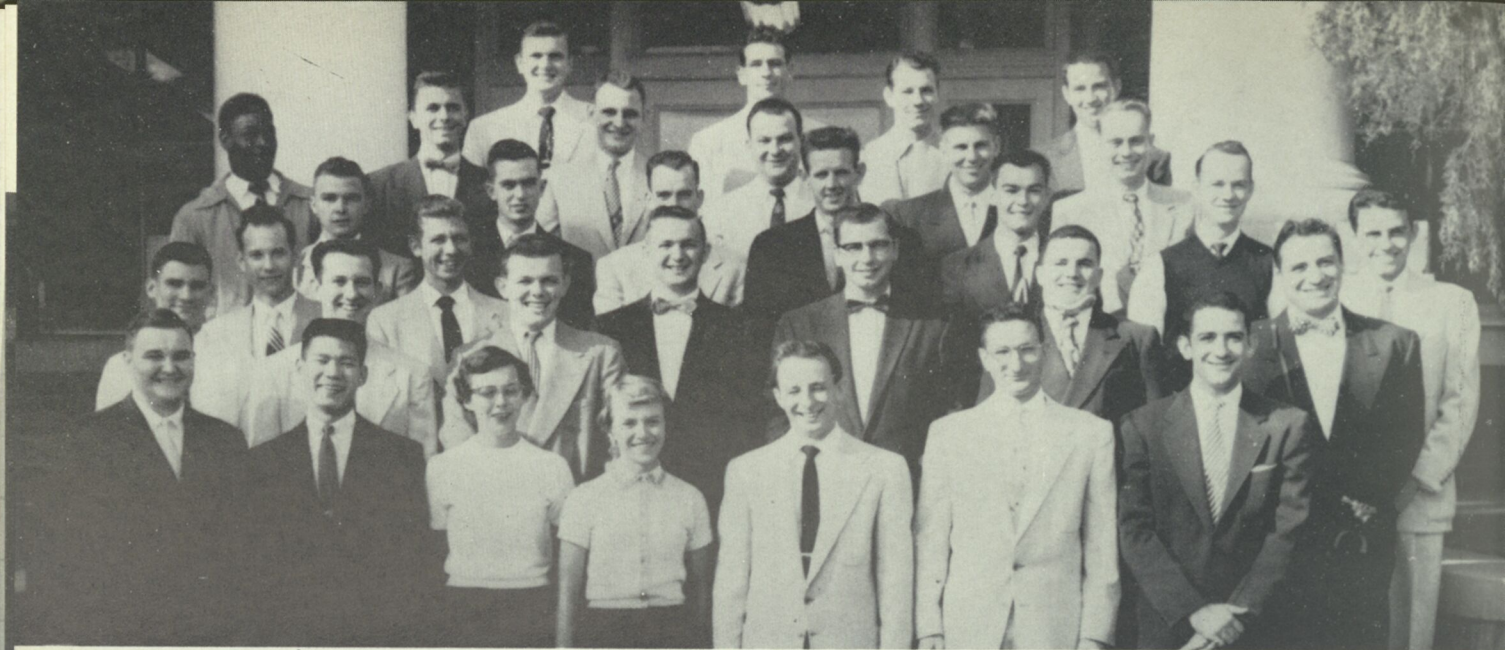

BILL DAVENPORT	.....	President
DWIGHT CHENEY	.....	Vice President
LOIS WATKINS	.....	Secretary
FRANK QUALLS	.....	Treasurer

Since its beginning in 1951, the student branch of the Arkansas and American Pharmaceutical Association has been a guiding force to the students from the standpoint of organized entertainment to the betterment of pharmacy through the association we have one with another.

This year the association has sponsored a very delightful barbecue at Boyle Park and a Christmas Formal-Banquet at the LaFayette Hotel.

The association is not only active on a state level, but has taken a substantial interest in the affairs of the National Student Branch which was organized last summer in Boston. It looks forward to when, through cooperation, hard work, interest and action, the student branches will have a voice in the affairs of pharmacy at a National level.

FIRST ROW, LEFT TO RIGHT: Bradley, Soo, Monohan, Watkins, Willis, Stravolemos, Jones. SECOND ROW: Kendall, Pashcla, Strohsahl. THIRD ROW: Davis, Barrett, Floyd, Bedgood, Qualls, Delmonego, O'Donell. FOURTH ROW: Estes, Humphrey, Adcock, Childers, Hestir, Hays. FIFTH ROW: Braggs, Coleman, Moss, Cheney, Camp, Edwards. SIXTH ROW: Taylor, Davenport, Powell, Massey.

## THE WHOLE SCHOOL OF PHARMACY

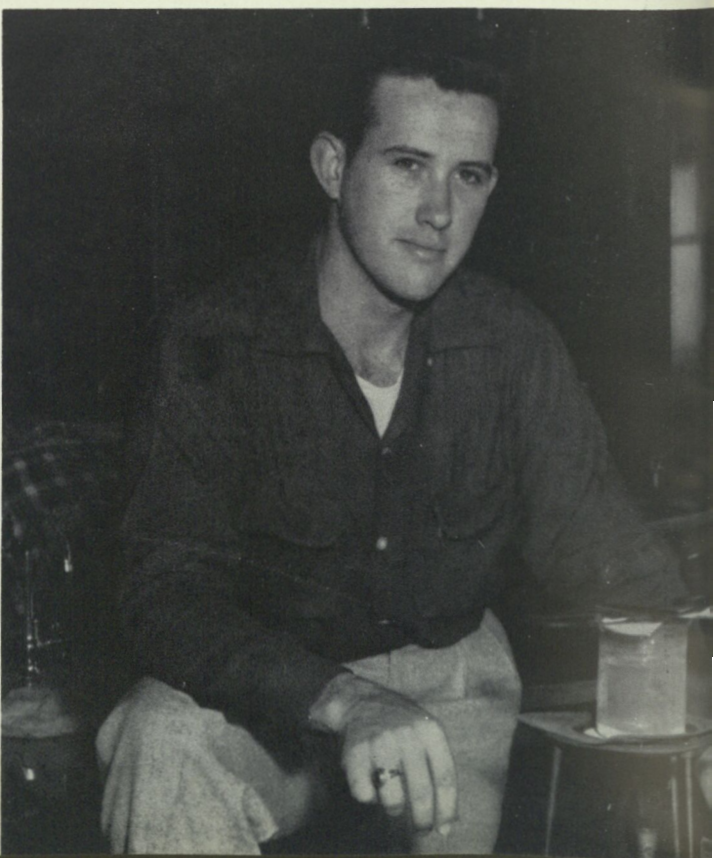

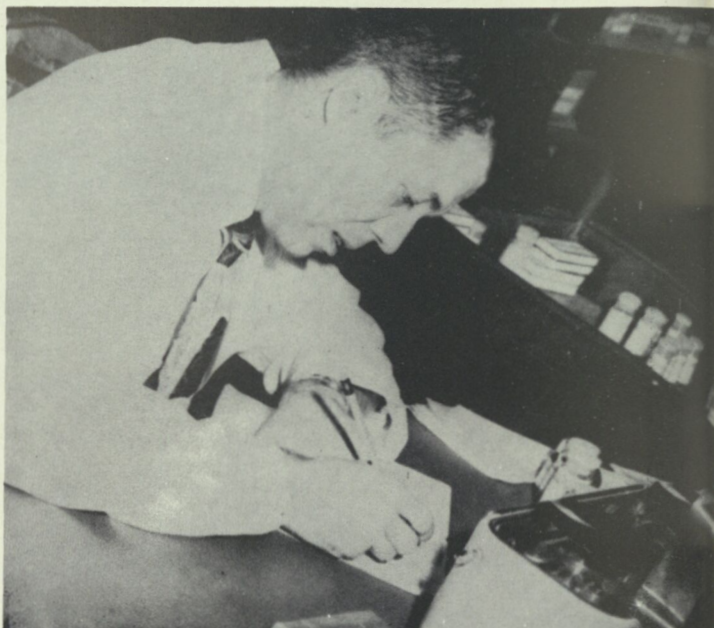

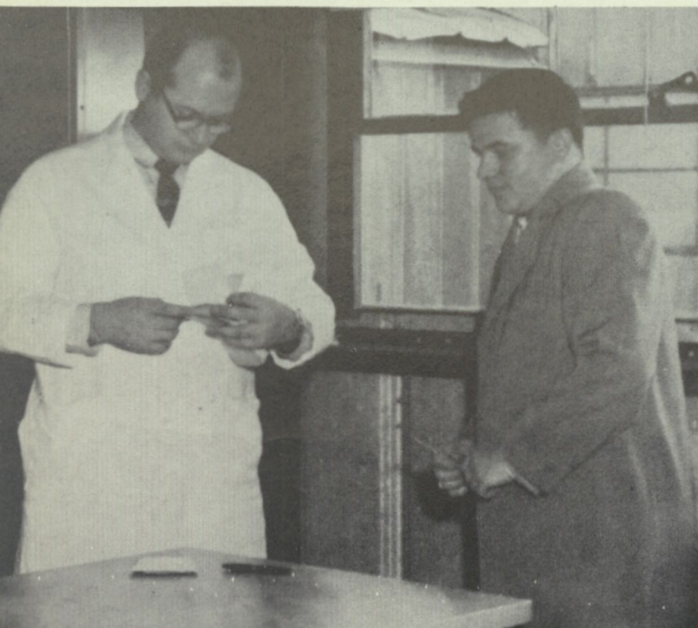

LEFT TO RIGHT: Cheney, Hays, Taylor, Watkins, Floyd.

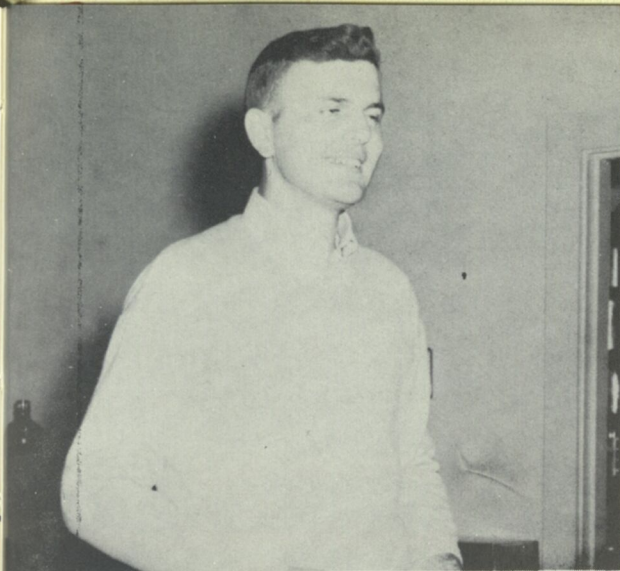

Since the recognition of the School of Pharmacy by the Accrediting Association last summer, this school has been eligible for Rho Chi Fraternity. This is a scholastic fraternity which has as its aims not only scholastic achievement, but high morals, ethics, principles of character and leadership.

It is the sincere wish of each of the students above that Rho Chi will come to the University, and that each and every one will strive to become a member.

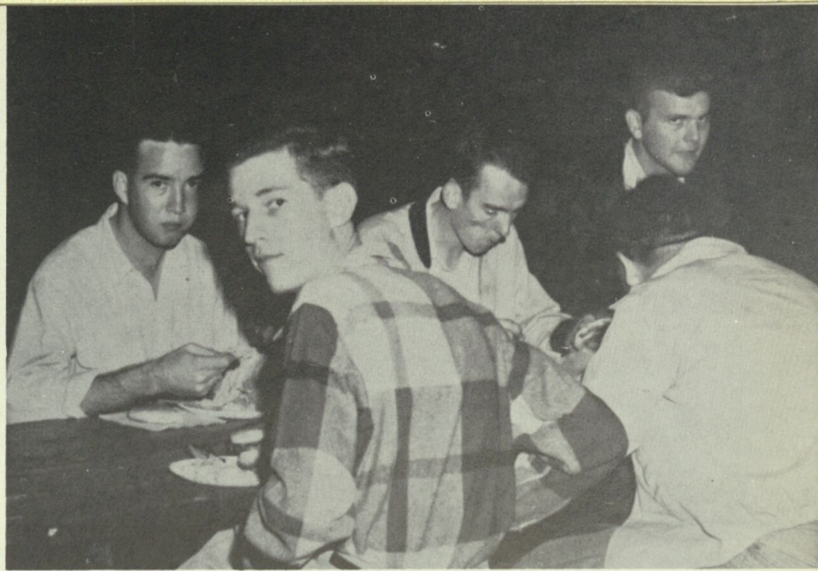

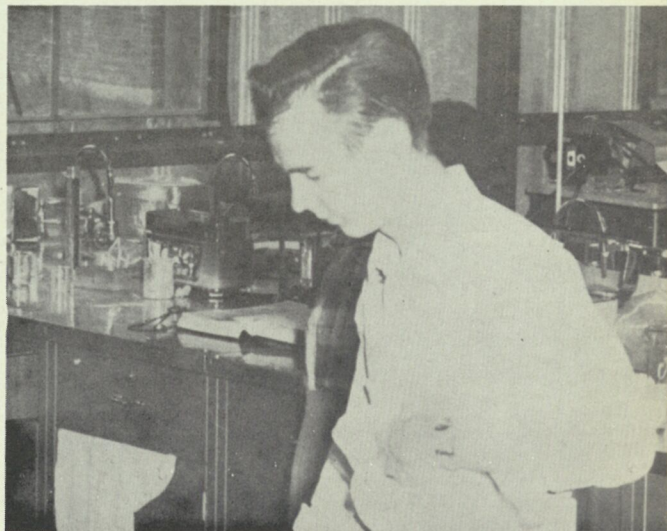

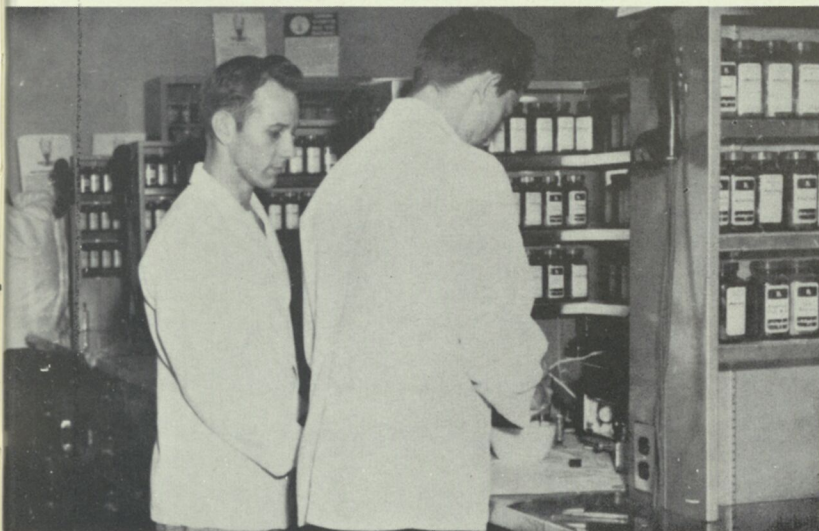

Yes, I got married!

You can always tell a junior at the party . . . he keeps eating when the instructors walk by.

If you only knew how I valued my time.

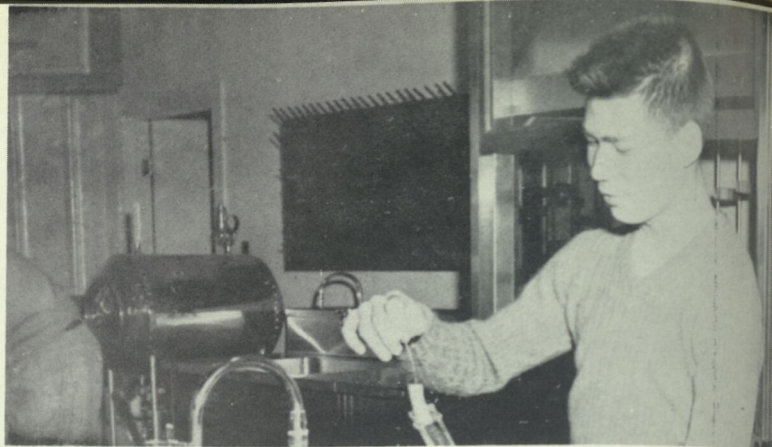

To fill or not to fill? that is the question . . .

"Then in walked this  
beautiful Korean dame!"

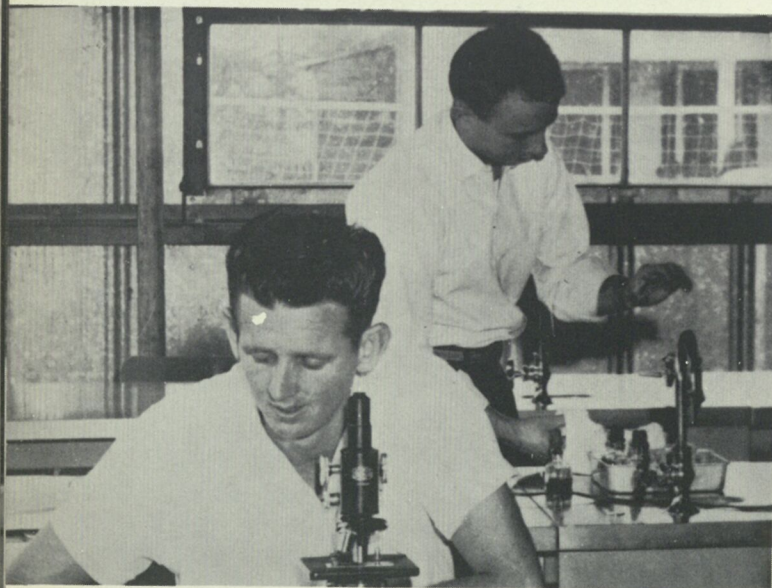

Ah, come, suds, jive for  
ole Soo.

Frank, there's enough for  
you and the little girl too

It's jes too pretty to cut!

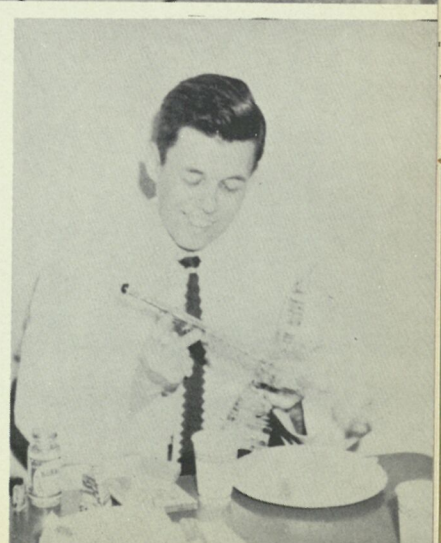

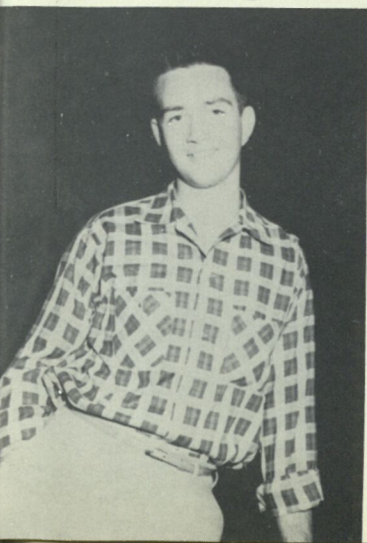

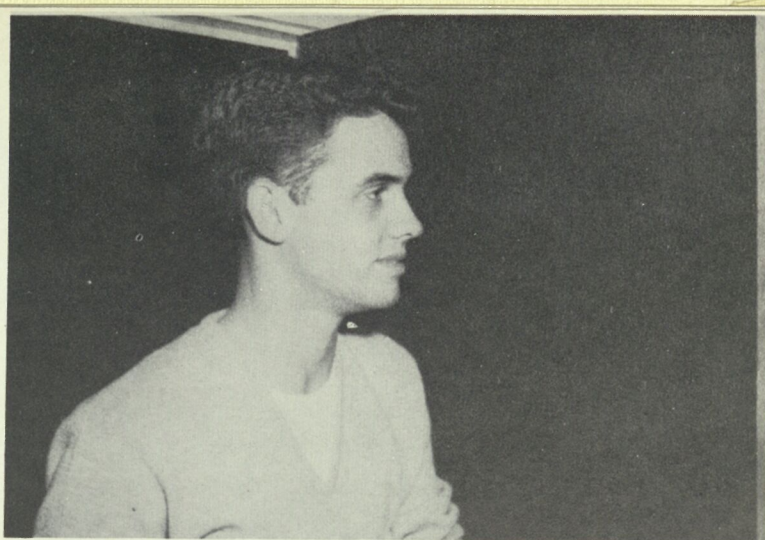

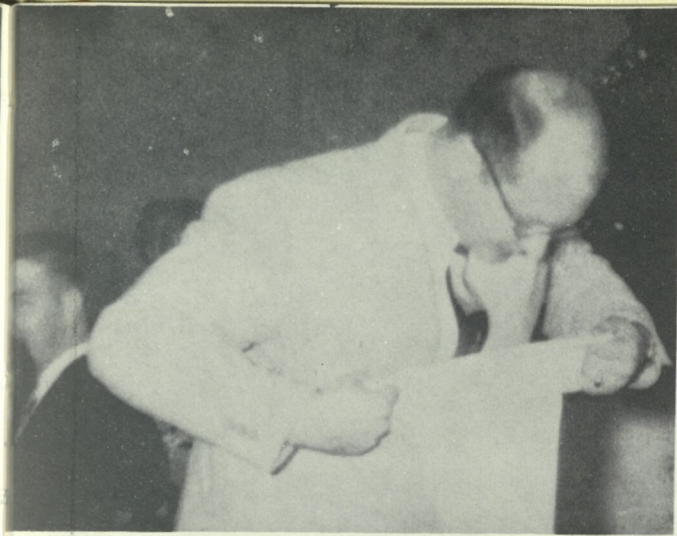

We always do our own work  
and you know it!

Swush—swush—swush  
crack-crack

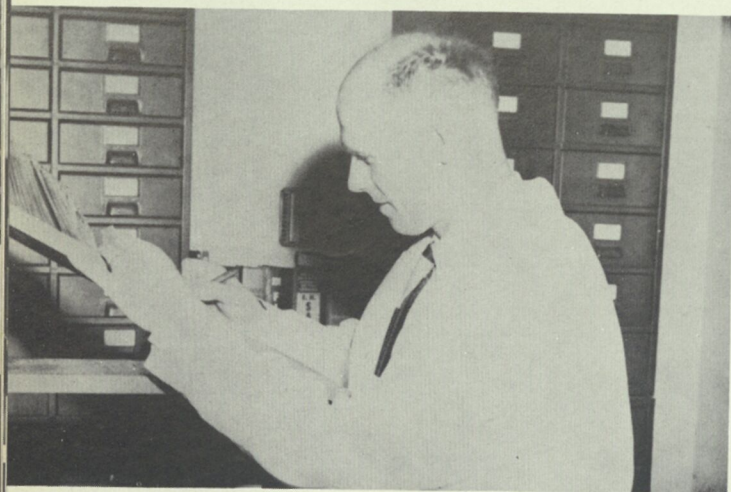

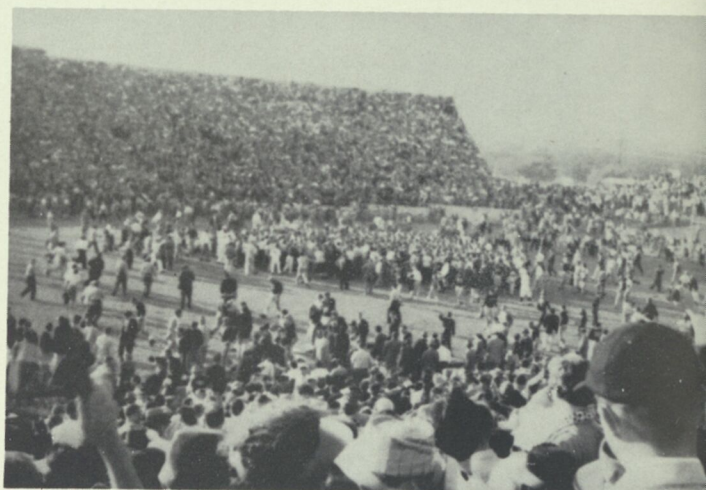

Mr. and Mrs. Vail Paschal, Jr.

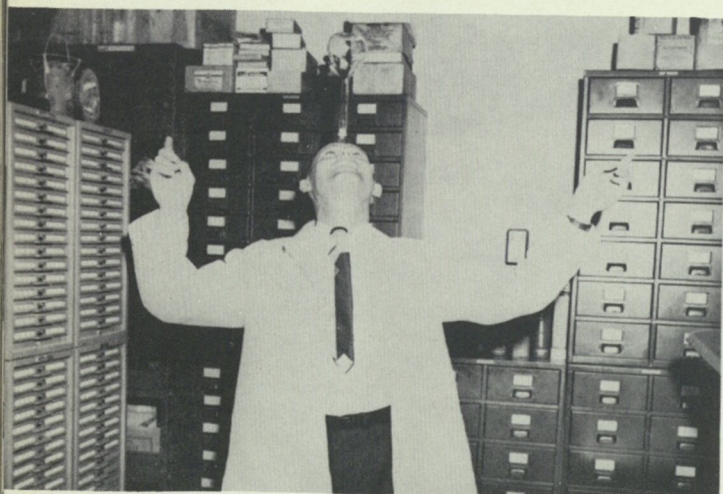

Mrs. Frank Qualls and son  
Randy Lee, born February fourth 1955.

Mr. Otto Wenk

ma

Salutes the Graduating Class of 1955  
of the University of Arkansas Medical School

May we take this opportunity to congratulate you young doctors upon the completion of this formal phase of your medical education and to extend our sincere best wishes for your future success. We are glad to have been able to serve you in the past and most cordially invite your continued patronage in the future. We hope you will consult with us regarding any equipment and supplies you need to make your dreams come true.

We make it part of our business to know where the better locations are. Actually, if from no more than a selfish standpoint, it is necessary that we have this knowledge, for a good location for you is good for us — and vice-versa. If you are looking for a location, write or phone us. When you ask for location data on any state you also get free copies of Hamilton's "Choosing a Favorable Location" and the American Surgical Trade Association's "Planning Guide for Physicians' Offices," which contain many articles on different phases of location-seeking.
